

Let the hammer threaten as it will. Let the sickle cut and slash. The impregnable rock of Scripture will stand. The hammer blows will falter; the sickle's edge will grow dull; the Word endures. It is our hope forever.

The Crescent shall not throw down the cross from the Heavens. Dean Inge of St. Paul's Cathedral in London, England, thrills the Christian world with the news that one hundred million Russians have refused to bow their knees before the Kremlin Baal. Communism will fail among the common people of the world. Freedom and a sense of human worth are the Bible's gift to mankind.

How much are you and I doing to combat Communism in these United States? How much do we prize and practice Democracy? How faithful are we to the Christian Church? The truer we are to Christ, the less will Communism spread among us. So, withstand the attacks of Hammer and Sickle with your trust in the living Word. Read and obey the Bible of your fathers.

"You can wear almost anything you want, and still be correct," she said, "Skirts run to the bouffant. Hemlines, too, are varied; each buyer can choose the length that is most becoming to her."

Newest note in the spring fashion picture is handbags, Mrs. Schwartz said. All types of bags, fabric, leather, and straw, in high style are being used to complement even the most simple costumes.

Another important accessory note is in jewelry. "Some of the new stark white pieces are really magnificent," Mrs. Schwartz said.

"This summer, too, will be a big sandal season, she continued, "but then, summer always is." Tops in color schemes is an increasingly important are feminine, dressmaker-type suits of novelty cotton fabric.
